II. INFORMATION COLLECTION

Centropix is the sole owner of the Website, including Replicated Websites. We collect information from CIAs, Customers and visitors to the websites at different points on the websites.

A. Traffic Data. Like most website operators, Centropix automatically gathers information of the sort that browsers automatically make available, including: (i) IP addresses; (ii) domain servers; (iii) types of devices accessing the Website; and (iv) types of Web browsers accessing the Website (collectively "Traffic Data"). Traffic Data is anonymous information that does not personally identify you.

B. Cookies. A "Cookie" is a string of information that a website stores on a user's computer, and that the user's browser provides to the website each time the user submits a query

to the website. The purpose of a Cookie is to identify the user as a unique user of the Website. Centropix uses Cookies to customize your experience on the Website to your interests, to ensure that you do not see the same informational messages repeatedly, and to store your username so you do not have to re-enter it each time you visit the Website. For additional information on Centropix's uses of Cookies, see the section concerning Information Use and Disclosure Practices/Traffic Data and Information Gathered Using Cookies, below. IF YOU DO NOT WISH TO HAVE COOKIES PLACED ON YOUR COMPUTER, YOU SHOULD SET YOUR BROWSERS TO REFUSE COOKIES BEFORE ACCESSING THE WEBSITE, WITH THE UNDERSTANDING THAT CERTAIN OF THE SERVICES AND CERTAIN FEATURES OF THE WEBSITE MAY NOT FUNCTION PROPERLY WITHOUT THE AID OF COOKIES. IF YOU REFUSE COOKIES, YOU ASSUME ALL RESPONSIBILITY FOR ANY RESULTING LOSS OF FUNCTIONALITY.

We use programs and applications to record your usage behavior on our website in order to adapt our web services to the needs of our users. In doing so, we determine your browser type, location, time, and duration of your use, URL, page name, and the website that referred you to our page. You can stop us from recording this data by disabling JavaScript directly in your browser.

We also use the following tools:

- **Google Analytics -** This is a web analytics tool by Google Inc., 1600 Amphitheatre Parkway Mountain View, California 94043, United States, hereinafter referred to as "Google", to record your online activities on our site and to determine how many users are visiting us, what contents of our page are viewed, and how many times. The evaluation is done anonymously. Google Analytics cookies, including the Google Analytics tool "anonymous IP address" and usage data, are usually transmitted to a Google server in the United States and stored there. For further information, please refer to:

  https://support.google.com/analytics/answer/6004245?hl=en.

  Google Analytics offers the option to opt out of data collection.

- **Google AdWords** - This is used to record website visits for advertising purposes (remarketing) in Google and in the Display Network. When you visit a website, your browser saves cookies that allow you to be recognized as a visitor when you visit websites that belong to Google's advertising network. On these pages, ads that

relate to content that you previously viewed on other websites that use Google's remarketing function can be presented to you as a visitor. You can opt out of data collection by Google AdWords on the website http://www.google.com/settings/ads

- **Google AdWords conversion tracking** - We use this to generate conversion statistics that measure the effectiveness of our online advertising campaigns. The conversion tracking cookie is set when a user clicks on an ad placed by Google. According to Google's privacy policy, no personal information is processed. If you do not wish to participate in tracking, you can opt out of this usage by disabling the Google conversion tracking cookie in the usage settings of your Internet browser.

- **Facebook Pixel** -- With your consent, we use the "Facebook Pixel" by Facebook Inc., 1601 South California Avenue, Palo Alto, California 94304, United States ("Facebook") on our website. This is a cookie (i.e., a small text file that is stored on your computer and can be accessed again later). With its help, actions of users can be tracked after they have seen or clicked on a Facebook ad. This allows us to track the effectiveness of Facebook ads for statistical and market research purposes. The data collected in this way is anonymous to us, in other words, it does not provide any information on the identity of the users. However, the data is stored and processed by Facebook, so that a connection to the respective user profile is possible and Facebook can use the data for its own advertising purposes, according to the Facebook Data Policy (https://www.facebook.com/about/privacy/).

  You can allow Facebook and its partners to display ads on and off Facebook. A cookie may also be stored on your computer for these purposes. By using the website, you agree to the use of the visitor action pixel.
